# 2020 ANNUAL LUNCHEON

## JAY LENO

Acclaimed TV late night show host, admired stand-up comedian, best-selling children's book author, much-in-demand corporate speaker, lovable TV and movie voice-over artist, pioneering car builder and mechanic, and philanthropist...it's no wonder that Jay Leno has always been widely characterized as "the hardest working man in show business."

Jay Leno's late night television ratings domination included more than two decades of "The Tonight Show with Jay Leno," winning every consecutive quarter of his hosting over the past 19 years. Under his helm, the show was honored by the Television Academy with an Emmy for "Outstanding Comedy, Variety or Music Series." "The Tonight Show" has also taken home the trophy for "Favorite Late Night Show" in the annual TV Guide Awards determined by voting viewers, and Jay was recently installed in the Television Academy's Broadcast Hall of Fame.

His "everyman"-style and personality have helped him earn millions of fans worldwide, especially in the regions where people relate to his personable style and work ethic. In addition to traversing the U.S., he has entertained in various countries, including Bosnia, where he performed for military troops associated with the war in Afghanistan, and Aviano, Italy, where he performed for troops associated with the peacekeeping efforts in Bosnia. He remains passionate about performing in front of live audiences, including the military, and appears regularly in Las Vegas, on college campuses around the United States, and in other venues.

Moreover, he is committed to using his amalgam of talents to help those less fortunate. Each year, he serves as Master of Ceremonies and does numerous benefit performances, including shows for those whose lives were devastated by the 9/11 tragedy, the tsunami in Thailand, hurricanes in the gulf, and the severe economic downturn in Detroit. He leads the annual Love Ride in California to benefit numerous humanitarian organizations serving people with autism, muscular dystrophy, and Special Olympics, among many others.

Jay was born in New Rochelle, New York, and raised in Andover, Massachusetts. He and his wife, Mavis, live in Los Angeles.
