

WHO WE ARE

Our vision is that every child has access to a quality education. ACE Scholarships was founded in 2000 to provide children from low-income families with equal access to quality schools. Launching in 2018, ACE Arkansas has provided close to 600 scholarships to children from low-income families and established partnerships with 37 private schools in Arkansas.

WHY WE'RE HERE

The truth is, every kid is different and education is not one size fits all. ACE empowers parents to choose the school that is the best fit for their child.

WHAT WE DO

ACE offers partial tuition scholarships to students from low-income families so they may attend the private school of their choice. The ACE scholarship follows the child throughout their K-12 education.

WHAT HAPPENS

Alongside better high school and college graduation rates, we are seeing holistic, positive impacts to ACE scholars and their families, according to third-party research conducted in our most established markets.

Parents and students volunteer more often

Families eat dinner together more often

Spend more time in school and doing homework

90+% high school graduation rate

2x college graduation rate, vs. peers from predominantly low-income high schools

WHERE WE ARE

With 20 years of hands-on experience, ACE has launched, managed, and funded private school scholarship programs in eight states, and is poised to grow in the future.

HOW OUR MODEL WORKS

Everyone has a vested interest in success. While ACE Scholarships covers part of the tuition cost, the recipient's family typically pays for a portion of the tuition, while the school covers the rest. This way, everyone is invested in the child's success.
