

Ace has allowed me to play a number of sports and games in P.E. that include Caleb [REDACTED] basketball, baseball, tennis, dodgeball, soccer, hockey, kickball, c Ace Scholarship Contest Entry and last but not least frisbee. I was able to play on the sixth and fifth grade basketball teams in February 29, 2020 year and last year. My team and I had a marvelous time out on the court.

Ace Scholarship has also helped me find a great education in Bozeman. At Heritage Christian I can tell you Caleb [REDACTED] I am 12 years old and love to hunt, fish, swim, write, read, ride horses, hike, and invent things. I also love the mountains. I live on a ranch south of Livingston, called [REDACTED] My dad is the head wrangler there. A few years ago my parents bought a house near Bozeman, so my siblings and I could go to a private school in Bozeman. At first, the private school cost too much but then my parents found Ace Scholarship.

Ace Scholarship has influenced my future in numerous ways. If I did not have Ace Scholarship, I would not be able to go to one of the best schools in the county. Being able to go to [REDACTED] School has given me several opportunities to visit many interesting places. In third grade I was able to go to the Lewis and Clark Caverns and went cross country skiing at Cross Cut. In fourth grade I was able to visit a talc mine in Ennis, MT and several farms outside of Bozeman. During fifth grade I went to a long and complicated hay maze north of Bozeman, and went skiing at Bridger Bowl. This year I look forward to visiting a museum in town this week. Through Ace I met Greg Gianforte, and shook Ted Cruz's hand.

Ace Scholarship has helped me to find many excellent friends. I have five good friends that are trustworthy, smart, and funny. They all love God a lot, like I do. I love to be around them.

Ace has allowed me to play a number of sports and games in P.E. that includes basketball, baseball, tennis, dodgeball, soccer, hockey, kickball, capture the flag, flag football, and last but not least frisbee. I was able to play on the sixth and fifth grade basketball team this year and last year. My team and I had a marvelous time out on the court.

Ace Scholarship has also helped me find a great education in Bozeman. At [REDACTED] I can talk freely about what I believe about God and why I believe this. I also have wonderful teachers who love and care about me. They do everything possible to help me get a good grade on every project. They are good at teaching me too. My teachers also love Jesus because of what He did for us on the cross.

Without Ace I wouldn't be able to go to this school because of the prices. For one person to go to [REDACTED] it cost 7,000 dollars. With my three other siblings and I going to this school it costs more than 28,000, but with Ace my parents pay only 10,000! That's more than half the original price!

School Name: Heritage Christian

Even though I do enjoy school I do not always want to go to school. I realised that my siblings and I are truly blessed to be able to go to a Christian school, and to have an Ace Scholarship.
