Matthew McConaughey

Academy-Award winning actor, bestselling author, producer, philanthropist, entrepreneur and educator

Texas native Matthew McConaughey is one of Hollywood's most sought-after leading men. A chance meeting in Austin with casting director and producer Don Phillips led him to director Richard Linklater, who launched the actor's career in the cult classic *Dazed and Confused*. Since then, he has won an Academy Award for his portrayal of Ron Woodruff in *Dallas Buyers Club*, appeared in over 40 feature films that have grossed over \$1 billion; and has become an author, producer, and philanthropist with his just keep livin Foundation – all the while sticking to his Texas roots and "jk livin" philosophy.

He is co-owner of The Austin FC Soccer Club, and a professor at the University of Texas in Austin. In 2020, McConaughey released his first book, *Greenlights*, which became an instant #1 *New York Times* bestseller and has sold over 6M copies worldwide. His second book, a children's book titled *Just Because* debuted in September 2023 and was an instant #1 *New York Times* bestseller. In October 2023, Matthew and his wife Camila launched their own tequila brand, Pantalones, the first joint venture for the couple. He currently resides in Austin, Texas with his wife Camila and their three kids.
